

# ROTON MIDDLE SCHOOL

## WALK-A-THON

**Friday, October 15th, 2021**

Dear Roton Middle Community,

The Roton Middle PTA is excited to promote school spirit, wellness and raise much needed funds for our Roton Community and enrichment opportunities for our students. Please support our school by making a contribution to our walkathon fundraiser.

On Friday 10/15/21, staff & students will walk a mile on the front field and also enjoy some athletic challenges. We will also bring back the Pie Throwing event with the help of some of our cherished teachers who volunteer their faces.

Every student who participates in the walkathon will automatically be entered in a raffle to receive Pie Throwing tickets:

1st week submission = 3 tickets

2nd week submissions = 2 tickets

3rd week submissions = 1 ticket

We hope that each family will support the walkathon to the best of their ability as our goal is 100% participation. There will be prizes for the **homeroom** with the **highest participation** and the **homeroom** that **raises the most amount of money!!**

Our top 15-20 fundraisers will win a spot on a VR Game Truck during school hours, where they will enjoy age-appropriate virtual reality and video games approved by Mr. Singleton. Students will also have the opportunity to receive a R.A.M.S. Golden Ticket for behavioral merit selected by teachers.

Here's our online donation page!
